Celebrating the Feminine Mystique

Art show. Silent auction. Awareness education. Poetry reading. Food & drink. Social gathering.

Join us for a fundraiser coinciding with worldwide Menstrual Hygiene Day

May 28, 2016 from 7 – 10pm at Station House, St. Pete

Celebrating the Feminine Mystique is a fundraiser for women and girls. 100% of proceeds raised go towards projects organized and facilitated by Mahila Partnership. Funded projects consist of building sewing cooperatives that employ women at fair wages to hand craft feminine hygiene products and sustain health and hygiene education services.

Feminine health and hygiene affects not just 50% of the population, but all of it. Without healthy women, girls, mothers, teachers, sisters, aunts, grandmothers - there are no healthy children, students, husbands, communities.

50% of the workforce, of human power, becomes marginalized for 1 week each month, simply for lack of resources and education.

We want to empower that 50% to take back their livelihood and raise a new, healthier, stronger, equal generation.
