Proposal**

Celebrating the Feminine Mystique

Art show. Silent auction. Awareness education. Poetry reading. Food & drink. Social gathering.

*Menstruation is a word
we usually utter in
whispers, a concept
usually shrouded in
misunderstanding.*

**Join us for a fundraiser coinciding with worldwide Menstrual Hygiene Day
May 28, 2016 from 7 – 10pm at Station House, St. Pete**

Throughout history, the feminine mystique has been a source of myth, taboo, and misinformation. In most cultures, the creation of life and the concept of menstruation are shrouded by neglect and repugnance. In order to erode marginalization, we must spread awareness and celebrate femininity.

Celebrating the Feminine Mystique is proud to present a themed, Tampa Bay local artists display of all types of visual art: drawing, painting, sketching, photography, multimedia, ceramic, metal, paper, unique – and more. 100% of proceeds raised go towards projects organized and facilitated by Mahila Partnership.

Donated pieces will be up for bid, beginning at a determined reserve, allowing artists to connect with potential buyers, discuss their craft, and gain exposure.

Art Submission Guidelines

Theme: Celebrating the Feminine Mystique – women, life, fertility, grace, strength, love, openness

We will be accepting the commitment of up to 12 artists, each which will be given a “space” for their art. When a piece sells, we ask that the artist donate at least 30% of their commission to Mahila Partnership, though more is greatly appreciated. Artists will be photographed with their pieces and their brand and photos will be shared on social media to cross-promote their business.

*To join us and exhibit
your work or to ask
any questions, please
